

Made Fresh Daily

After creating in her own kitchen, for her family, husband and (6 loving boys), Julie is proud to bring East Bay residents her passion-infused, unique twist on traditional Tamales. While **Tamale Lovers** does offer lard-free classic tamale options of chicken, pork, and beef, the menu boasts untraditional, authentic choices. Try the Chicken Curry, Pineapple-Coconut & Raisin Tamales. Have a serious sweet tooth?

Tamale Lovers has you covered with their **chocolate cinnamon** or **berry Tamales** complete with your choice of Coconut, Almond, Vanilla Twist dipping sauces. All tamale orders are completely customizable, even for those who think outside the box. You can order a Tamale for one or hundreds for your next occasion, or a combo for the extra hungry, which comes with specialty, flavor packed rice and whole pink beans in a five-hour prepared Spanish sauce.
